March

Oh, I'm so sorry, I can't be at the meeting this month or at December's meeting. I should be able to make it to January's meeting so I can talk to them in person. But if you could make sure that they see the attached document that would be great, and I can make any changes they want.

Thank You Again,
Garion

Hi Mary,

This is Garion Brown and I was wondering if you could put me on the agenda for the next city council meeting. This is so I can explain more details for the signs I'll be making for my eagle scout project.

Thank You,
Garion
