RE: Project #19-00996, Earlham Recreation Park

Dear Ms. Moench,

The local Little League baseball is requesting permission to build a batting cage at the Earlham Recreation Park at 395 NW 6th Street, Earlham, Iowa. The batting cage is 16' x 70' and will be located on the southeast field, between the shed and bleachers parallel to the fence. This enhancement to the area is consistent with the intended recreational uses of the park.

If you need additional information, please contact Earlham City Hall at 515-758-2281. We look forward to receiving your approval soon. Thank You.

Sincerely,

Mary Sue Hibbs, City Clerk/Treasurer
City of Earlham
