

Date: April 21th, 2026

Project: Warming Center Generators

Grant Amount: \$7,700.00

CONGRATULATIONS! Your application has been approved to receive the above noted funds.

This agreement is by and between The Greater Madison County Community Foundation and City of Earlham, here forth referred to as recipient. The recipient agrees to support the following as conditions of acceptance for the grant award of \$7,700 for the purpose of the project stated above.

1. File a final report on the form provided and known as "Evaluation," they are available online at the foundation website: <https://tinyurl.com/GMCCFReport>
2. Give the Greater Madison County Community Foundation credit in all media releases,
3. List The Greater Madison County Community Foundation as a sponsor, if possible,
4. Provide receipts for purchases with aforementioned Evaluation form,
5. The board recognizes that this project will likely be a multi-year project to lock in federal funding and invites the applicant to re-apply on this project for additional funds next year.
6. Return any portion of the grant monies not used for the designated purpose within 18 months of grant award,
7. Provide pictures of the completed project for publicity purposes.
