Hi Kristy,

So here are the locations we are looking at. We will get our barricades from Bonnie's out of Des Moines OR we might just hire off duty officers for intermitten traffic control if it's fairly quiet. Some locations I am just making you aware of since they are private locations.

Friday November 6th

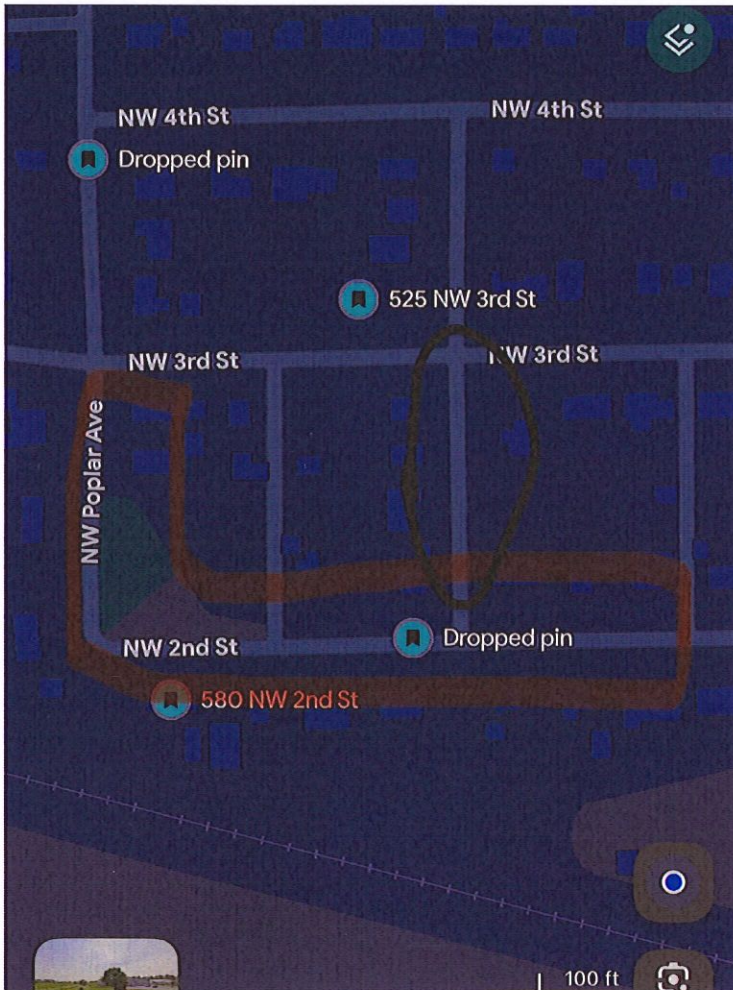

GRAIN ELEVATORS

4PM - 8PM - The grass area between the train tracks and the gray building. We are already working on getting touch with property owners (already in touch with elevator employees Allan and Matt), but I am just making the city aware. Camera will be pointed towards the grain elevators. Trucks will need to be parked on South Chestnut Ave. **QUESTION: Do you know the train schedule?**

RESIDENTIAL STREET 1

8PM - 2AM We will be filming in front of Chris Biondi's home on the corner of NW Lynn Ave and NW 2nd St. He has been contacted already and is OK with us shooting. We will want to block the corner of NW 2nd and NW Poplar all the way down to NW Elm Ave along with NW Lynn and NW 3rd St. Trucks will be parked on NW Lynn or possibly NW Poplar Ave and camera will be on NW 2nd pointed east.

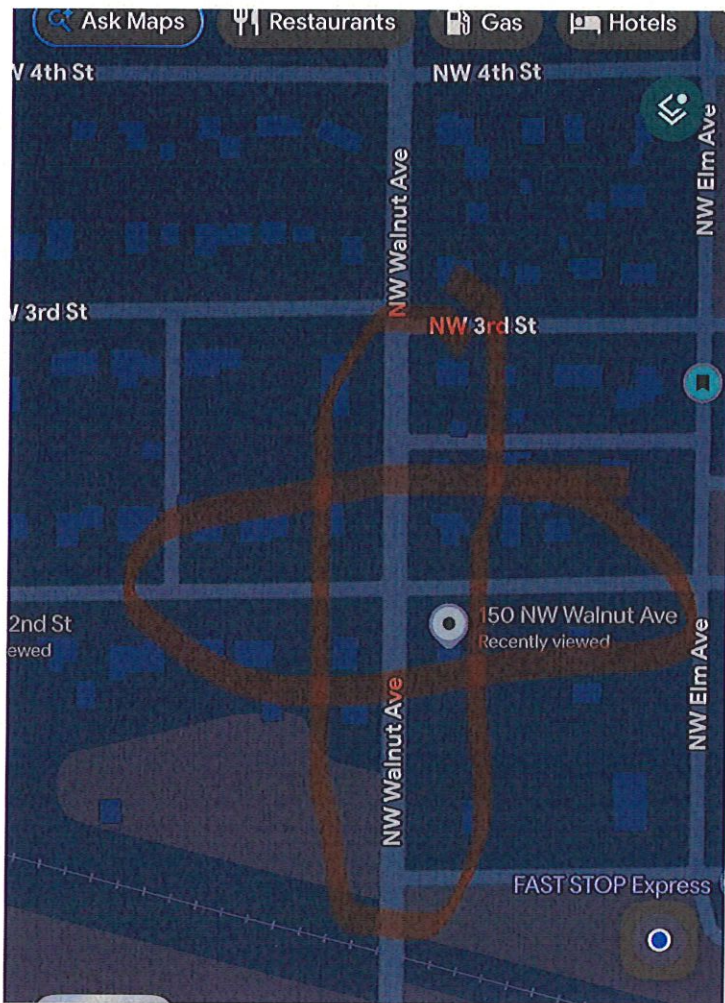

Monday November 9th

RESIDENTIAL STREET 2

6AM - 9AM We are filming at 150 NW Walnut Ave. We have permission from the homeowner. Camera will be positioned at the house and pointed towards the railroad tracks. We will have a car peek over the hill and then pull into the driveway.

We can either put up barricades OR we can hire off duty police officers for intermittent traffic control. I am more inclined to engage with off duty police officers as we should honestly be in and out of here in 45 minutes. **QUESTION: Do you know the train schedule?**

EARLHAM VET
